- 2. Policy Loan:** Make a policy loan for: \$ _____ (Enter Amount) Maximum Including Dividends Maximum Excluding Dividends
 The undersigned understands this loan will be subject to all applicable policy provisions and applicable interest rate(s). The policy is hereby assigned to the Company as security for payment of the loan indebtedness and in consideration of the Company waiving the deposit of the policy with it, the undersigned agrees that the rights of the Company shall in no manner be prejudiced by such waiver.

Policy loans reduce the cash value and death benefits of a policy. If a policy is surrendered or terminates for any reason prior to the owner's death, any policy loan under that policy is taxable to the extent that it exceeds the cost basis. Generally, a policyowner is responsible for paying income taxes on the difference between a policy's cash surrender value and total premiums paid. Any outstanding policy loans will be added to the cash surrender value for the purpose of calculating income tax liability. If, at any time, the total amount of outstanding loan exceeds the policy's cash surrender value, the policy will terminate. Consult with your representative or tax advisor before taking a policy loan.

- 3a. Policy Surrender:** The undersigned hereby applies to First Investors Life Insurance Company for the net cash surrender value of the above policy. It is hereby warranted that no insolvency or bankruptcy proceedings are pending against the undersigned. Any request for an automatic premium loan is hereby revoked.

In consideration of the payment of the above policy's net cash surrender value, the undersigned agrees that the entire liability of First Investors Life Insurance Company under this policy shall be discharged and terminated upon receipt of this form at the Home Office of the Company, during the lifetime of the Insured, together with the policy and any other papers which the Company considers necessary to effect surrender of the contract.
